GEMINUS CITY HIGH COURT

GEMINUS CITY

SLAP JEGGINGS,

Plaintiff,

vs.

YOUTH WELFARE INSTITUTE,

Defendant

Case No.: YWIA001

CUSTODY SCHEDULING, RESPONSE TO
JUDICIAL ORDER.

The Youth Welfare Institute hereby acknowledges that we have received the Court Order written and authorized by the Honorable John Roberts of the Geminus City High Court, we have taken note that the court order hereby gives us full autonomy and authority in regards to scheduling, therefore we hereby exercise that authority and schedule the custody hearing for seven o'clock, Geminus Standard Time (EST).

In addition to the scheduling we officially notify the court that the individuals representing the Youth Welfare Institute of the Republic of Pollux are Aileen Chalice Ph.D. J.D. and Andrea Lofts Ph.D. J.D. respectively.

In the event of an unfavorable judgement by the court we are also informing them that we will present this case to the Office of the Supreme Justice for interpretation and for a final determination, we strongly believe that the welfare of this child is in danger while they remain in the custody of the plaintiff Slap Jeggings.

We of the Youth Welfare Institute would also like to inform the court that the Polluxian Prosperity Act which was established under the Knight Administration gives us full and unremovable authority to transfer custody of a child into our care if the parent or guardian has been deemed unfit by a trained and licensed Medical Professional an indefinite period of time, which is what happened in this case.

Dated this Tuesday of October 2563.
